About Me

I am a graphic designer with extensive experience in creating content for social media. I specialize in the rapid production of content for various industries. I am also open to work in editorial design, brand design, and UX/UI design.

Education

Universidad ORT (Montevideo Uruguay) | 2023-2025

Graphic Designer

Escuela CARNE (Montevideo, Uruguay) | 2023-2023

Graphic Design Course, UX/UI Design Course, Video Editing Course, Motion Graphics Course

Work Experience

Vissual Marketing | 2023 - 2025

Social Media Content Creator

Content creation for social media for more than 30 companies across different industries in Cerro Largo, Uruguay.

As well as supervising a junior graphic designer. In addition, assisting two filmmakers in the production of reels by providing different types of graphics according to their needs.

Also involved in the creation of logos and printed materials for individual clients.

I used to handle video editing in 2023-24 before filmmakers were hired.
